

★ WHAT'S UP AT NURSERY SCHOOL...

This month we were excited to celebrate St. Patrick's Day and were really hoping this would be the year to catch that silly leprechaun! Unfortunately, he is too quick!! We had a blast making traps though, and it was really neat to see his tiny little footprints all around the classroom. The best part? He left us a magically delicious treat!

★ **Outdoor Play**

Going forward we will be going outside unless the weather is not cooperating so please make sure you send your child with weather appropriate clothing for each class. With spring coming this will mean puddle jumping and we do allow the children to explore the puddles so we will get wet! We are very excited to play in nature!! We will also take advantage of nearby play structures and will take walks across the way to Countryside Crossing.

With the warmer weather coming we would like to ask parents to please send a hat and apply sunscreen to their children before coming to school. We will have extra sunscreen on hand just in case.

★ **Friendly Reminder!**

We would like to remind everyone not to enter the building more than 5 minutes before class starts to avoid hallway noise and congestion.

NURSERY NEWS CONT'D

★ **Registration School Year 2023-2024**

We have a couple of spots left in both our Tuesday/Thursday afternoon classes and our Monday/Wednesday/Friday afternoon classes, if you know of anyone who is looking for a spot, please let them know.

★ **Parent Teacher Interviews**

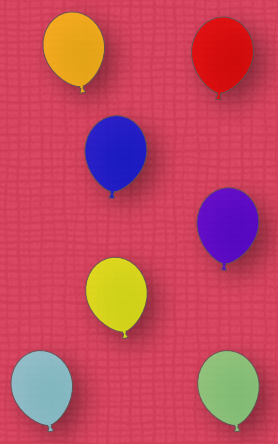

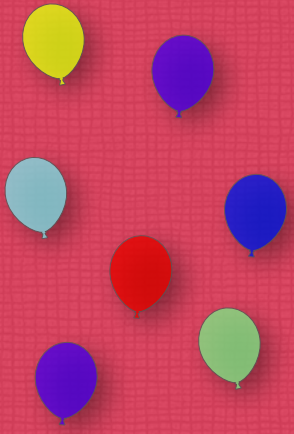

Parent Teacher Interviews went well. If there is anyone that we did not get a chance to meet with that would like either an in person or Zoom meeting with us, please email us and let us know if you have not already done so. If you have contacted us, we will be in touch regarding an interview date.

★ **Graduation Question**

There have been a lot of parents asking whether their child attends graduation if they are not graduating this year. The answer is yes! All of our children attend the graduation ceremonies.

★ **Happy ECE Week!**

The government of Manitoba has proclaimed the week of April 23-29 as ECE week. It is a week to celebrate our fabulous Early Childhood Educators. We want to express our gratitude for the amazing staff at River East Scholar's Nursery School. Thank you for all you do!

★ **Hatching Baby Chicks!**

We are so excited to be trying our hand at hatching baby chicks! We will be picking up the incubator and the chicks on April 25th and then watching them grow and hatch which should take 3 weeks. Once the chicks have hatched we will have them at the nursery school for one week. When the week is over we will be returning the chicks to Morning Sound Farm to be part of their farm family. We think this will be such an enlightening experience for everyone!

★ **Tuition Fees**

Everyone should have received a letter in regards to the new tuition rates. It is very exciting! We would like to remind you that fees will be withdrawn from your account on the 6th of each month, beginning in April.
