

What's Up At Nursery School...

December was quite the month! All of our classes worked so hard and put on a wonderful Christmas concert! It was our first year attempting a single concert for all four classes and the children were fantastic! Thank you all again for coming.

We had a special visit from Mrs. Claus and our pyjama party on our last day of classes was super fun! We even made candy Christmas trees!

January has begun and we hope that everyone has enjoyed a fun and relaxing holiday with family and friends. We are ready to start the new year with more fun and exciting experiences.

As we start back to school after the break some children may be a little anxious after being away from school after a two week absence. Please reassure your child that soon they will be seeing their friends and Teachers. It won't be long before they feel comfortable again with all the routines.

Theme of the Month:

**Winter &
The Community**

This month we will be discussing different occupations & people in our community. If any parents/ grandparents would like to come in and share their jobs with the class you are more than welcome to!

A big "Thank you!" goes out to all our families for the special cards, gifts and Christmas wishes for the teachers! Everything was very much appreciated!

Fundraising Update

Thank you so much for your participation on our fundraisers. All fundraising dollars this year are going towards covering the costs of field trips and in house guests, as well as helping to provide the staff with funds for specialized equipment and supplies not covered by regular budget funds.

As we head into the new year, don't forget that you can order custom Mabel's Labels year round at www.mabelslabels.com. Make sure your carefully chosen items actually make it home! Just select "River East Scholars Nursery (Winnipeg)" from the list of organizations to support.

We also still have some x-small and small RESNS t-shirts left. They are \$10 each and a great keepsake as your child moves on or returns for another year! Please let myself (brendabage@gmail.com) or the teachers know if you would like to purchase one.

JANUARY BIRTHDAYS – HAPPY BIRTHDAY TO YOU!

If your child wants to bring in a treat to share with their classmates on their special day we ask that it be NUT FREE as per our snack policy. Please send an email a day in advance so we can set aside some extra time for the celebration.

* Star of the Week *

Every week beginning in October, one child will have the opportunity to be the Star of the Week. This student will help the teacher at Circle Time, be the line leader for the week and help with special tasks in the classroom. They will also get to tell the class about themselves. Feel free to decorate a poster board with information about your child: favourite colour, favourite song, age, birthday, etc. Ask them what they would like to put on their poster. Also, feel free to add family pictures! Your child should also bring a favourite book and one item from home for "Show 'n Tell" on the Thursday or Friday of their special week. Show 'n Tell time encourages speaking, sharing, asking questions as well as being a good listener. We especially love it if Show 'n Tell involves something your child loves to talk about, like their favourite stuffed animal. Please no guns or fighting toys. Please keep all other items or child toys at home.
