## ★ HELLO FROM KINDERCARE!

January was scheduled to be a short month, and ended up being even shorter than expected. However, we did our best at packing it full of fun! It was a pretty cold month, so we were able to spend a lot of time in the gym. We played games, did gymnastics and enjoyed some gym free time! Inside the Kindercare room, we spent the month doing science and building activities. For science we did baking soda and vinegar experimenting, imitation rain, different colour mixing experiments, just to name a few. For building we added some construction worker hats, clip boards and rulers into our block area, brought in new building materials, and even had some building challenges such as tinfoil boats seeing how many rocks their boats could hold. It was a fun packed couple of weeks!

### ★ **Valentine's Day**

Moving into February, we are hoping the weather will start to warm up, so we can finally make our way back outside! For Valentine's Day at Kindercare, we will be having a party on February 11th and 14th. We will not be doing a Valentine exchange at Kindercare, instead we will be spending the day doing many fun games, and activities! If you have any questions about this please just let me know.

## ★ Friendly Reminder

A friendly reminder that we follow the school protocols, this means we are also requiring all children to be in either 3 layer masks or medical masks. Sorry for the hassle, but we thank you in helping keep all children and staff safe, which allows the children to keep attending and for Kindercare to remain open.

Looking forward to February and all the fun and adventures we will have!

Love Miss Monica & Miss Mary

## VOLUNTEER SCHEDULE FEBRUARY

### ★ MOM'S PANTRY

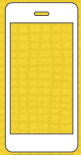

Our next fundraiser will be Mom's Pantry. Please stay tuned for more information.

### ★ VOLUNTEER INFORMATION

The recipe for play dough and details of take-home toy sanitizing will be communicated by the teachers. Please note on occasion we will ask for something else instead of play dough to give the children different sensory experiences.
