

★ WHAT'S UP AT NURSERY SCHOOL...

February was a fun month and we were excited to be able to get outside for some fresh air quite a bit this past month.

We celebrated Valentine's Day with arts and crafts, games and delicious treats and snacks!

Looking forward to March we are hoping to see some more warm weather so we can play outside and go for nature walks and visit some close by play structures for exercise and fresh air! We will also be thinking about how we can catch that silly leprechaun as he may be visiting soon!!

We want to wish all of our families a fun and relaxing spring break!

★ **Donations**

We are currently looking for the following items for donation:

- gently used board games or any other type of table games for ages 3-5
- round cardboard piece that comes with a Spent pizza if anyone purchases those pizzas
- "boys" dress up clothes and dress up shoes of any kind
- PVC piping pieces
- tin cans and lids - no sharp edges
- wooden or metal bowls, cups, dishes, trays

MESSAGE FROM THE BOARD

★ **BECOME A BOARD MEMBER!**

The RESNS Board of Directors has started our planning for the upcoming school year. As our students get older and prepare for their next steps into Kindergarten, it also means that some of our volunteers have also expressed their intention to leave the Board and contribute to other volunteer opportunities in the schools and communities that their children are moving into.

At this time, we will be looking for volunteers to fill the following positions on our Board:

- Fifth Member
- Newsletter
- Special Events
- Board Chair

There are still several months of Nursery School and Kindercare remaining, so now is a great time to gain some more insight on your RESNS Board of Directors and some of the roles they fill in support of your child's care and education. Our Board Members would be happy to provide more information, and potentially offer the opportunity to shadow them in their position.

If you have any experience in the above areas, or are interested in volunteering for the RESNS Board of Directors for the upcoming school year (2024-2025), please contact Cindy Frazer at board@resns.org.

Cindy Frazer
Board Chair

★ FUNDRAISING

RESNS's next fundraiser will be a Calendar Raffle, similar to last year's successful raffle we have decided to bring this back again.

This will include MULTIPLE WINNERS!

Please keep an eye out in the childrens' folders for ticket books and more information. We are hoping to have everything to parents by the first week of March

As always, thank you for your continued support!

Catherine Houde

Fundraising Coordinator - RESNS Board Member

SPECIAL EVENTS

Hi Everyone!

February was such an amazing month! Our Valentine's Day classes were filled with such sweet treats and lots of love from our RESNS friends. At the end of that week, we welcomed a real scientist into the classroom. She taught us about fire, electricity and lightning. We lit up a light bulb by holding hands to complete an electrical circuit. She even set off real colour changing fireworks in our classroom using different powders like lithium and copper! We all watched in amazement with our very own Mad Science prism glasses.

We look forward to inviting Steve from Prairie Exotics and some of his insect, amphibian and reptile friends into the classroom in April. Don't worry, they have been to RESNS many times and are always fun and friendly to see and even touch (only if you want to)!

SAVE THE DATES!

April 4th & 5th - We are off to the zoo! We will explore all the magnificent colours of the Assiniboine Park Zoo on an interactive guided tour and discover why animals look the way they do. Watch for permission slips in early March.

May 29th & 30th - We will be bringing our newly hatched chicks back to Morning Sound Farm and spend the day with all their other furry farm friends.

June 18th & 19th - Graduation Ceremony at Bunns Creek

June 20th - Year end outdoor picnic at the school for all classes!

Hope you're having a blast learning and growing at RESNS!

Katie Danylyshen

Special Events Coordinator - RESNS Board Member
