

## ★ WHAT'S UP AT NURSERY SCHOOL...

Wow! April went by so fast, we can't believe it's already May.

We had lots of fun learning through play this month with lots of spring, weather and rainbow activities to hone our knowledge of seasons, weather changes and colours.

We were also lucky enough to get a chance to switch it up and play in the Kindercare room for a day! That was an exciting change of pace for all the children and they've expressed that they would like to have another switch day this month.

We are looking forward to spending more time outside and taking advantage of the Country Crossing play structure down the way. We will be having snack outside and bringing classroom activities outdoors when the weather allows. We are also excited to have a park day coming up and bike and scooter day as well!

Looking forward to a fun month of May!

### ★ **Bike/Scooter + Helmet = Fun**

We are excited to spend the whole class outside enjoying a bike and scooter day. We will have a bike/scooter washing station and teachers will guide the children on rides around the entire school.

### HELMETS ARE REQUIRED

CHILDREN WILL NOT BE ALLOWED  
TO RIDE WITHOUT A HELMET

## ★ Bunn's Creek Park Day

Class will take place at Bunn's Creek Park. We ask that you drop off and pick up your child for their regular class time at the park which is located at 365 McIvor Ave. Please bring a snack as usual and don't forget to sunscreen your child and supply hats and sunglasses as we will spend the entire class at the park. We will play on the play structure, go on a nature walk and offer activities for a fun day in the sun!

## ★ COVID Questionnaire

As of May 1, we will no longer be sending our families the Covid Questionnaire to complete each day. We will still be asking our families to continue to monitor their children, and keep them home if they have symptoms. Should the situation change, we may reinstitute the daily questionnaire.

We are making our year end plans. These events will take place as long as no further Covid restrictions are imposed.

The RESNS Board of Directors would like to announce that there will be a few vacancies on our board for the 2022-2023 school year. The commitment we are asking for is a one-year term (October to October), one meeting a month, partake in meeting discussions and voting decisions, and to uphold the values of RESNS. Our Nursery and Kindercare programs rely on support from our parents, and this includes volunteers sitting on our board.

If you are interested in becoming a Board Member, please contact Cindy Frazer, at [cindy.frazer@gmail.com](mailto:cindy.frazer@gmail.com) for more information on the opportunities that are available.
