

★ WARM GREETINGS FROM KINDERCARE!

We hope everyone has had a wonderful holiday! We want to start off by thanking all of you for your generosity this holiday season, we appreciate it all so much, and it was so heartwarming reading all the kind messages in the cards.

It is hard to believe that another month has already gone by. December was a shorter month at Kindercare, but we packed it full of holiday fun! We did a lot of holiday crafts and games! We even turned the house area into a Christmas kitchen for a bit. It was so nice to see all the kids working and playing together.

★ **Outdoor Play**

January is going to be a very fun month! Hopefully the nicer weather will continue, and we will continue to go outside every day. Please ensure that your child has all warm attire every day. We go outside in the morning and again in the afternoon. We have had some instances of kids mitts being quite wet by the afternoon. If possible, we highly suggest packing a second pair of mitts for these times.

Some of the kids have grown quite a bit since September so this is a good time to double check that their spare clothes are still their size and appropriate for winter weather now.

KINDERCARE NEWS CONT'D

★ **Play Dough**

Starting in January we will also be asking each family to make a batch or two of play dough. We will send out a schedule in every newsletter. Please make sure to check and read the monthly newsletters to see your week.

★ **Show & Tell**

We will also be doing a Show-N-Tell on January 17th and 18th. Kids are invited to bring one item from home to show to their friends. Please ensure item is school appropriate (no weapons).

We hope you have all had a wonderful holiday season and a Happy New Year!

★ CHRISTMAS CHEER BOARD HAMPER

We had another successful year with our Christmas hampers! We were able to go above and beyond the list of needed items for our families, both were truly grateful for the generosity from our RESNS families. One of the families reached out on Christmas Day to express how grateful they were for the gifts and food collected for them, the other family sent a warm thank you as well - "My daughter and I really wanted to say thank you so so much for the help to make our Christmas this year happen!"

Our board of directors would like to say a very big thank you to all of our families who came together and donated, and those who donated gifts for each of the children and parents. We hope to continue this wonderful tradition and continue to spread kindness. We wish you all a Happy New Year!
