

★ HELLO FROM KINDERCARE!

January was a short month, however, we did our best at packing it full of fun! It was a pretty cold month, so we were able to spend some time in the nursery school room, as well as a lot of time in the gym. In the gym, we played games, did relay races and enjoyed some gym free time! Inside the Kindercare room, we spent the month doing science and building activities. For science we did baking soda and vinegar experimenting, cornstarch magic, different colour mixing experiments, sink or float, just to name a few. For building we added some construction worker hats, clip boards and rulers into our block area, brought in new building materials, and even had some building challenges such as tinfoil boats, seeing how many rocks their boats could hold. It was a fun packed couple of weeks!

Moving into February, we are hoping the nicer weather will stay so we can continue to enjoy some time outside!

★ **Valentine's Day**

For Valentine's Day at Kindercare, we will be having Valentine parties on February 13th and 14th. Since the ladybug class is all together at Kindergarten, we will not be doing a valentine card exchange with that class, and will leave it for Kindergarten. Instead we will spend the day doing other fun Valentine games and activities. For the Caterpillar class, we will be doing a valentine exchange for anyone who wishes to

KINDERCARE NEWS CONT'D

participate. We will send out a class list early February. We will also spend the day doing many other fun Valentine games and activities.

★ **Superhero/Princess Day**

In February we will also be having a Superhero/Princess day on February 22nd and 23rd. Kids are invited to wear a costume that day. We will be doing many superhero/princess/fairytale activities that week. We are looking forward to some fairytale fun!

Thank you to all families for remembering to bring play dough on your week! It's been a great change to get to do playdough for free time as well as planned activities. We truly appreciate it!

Looking ahead, a reminder, that Kindercare is closed Easter Monday (April 1st). This means we are closed all day, including before and after school.

Looking forward to February and all the fun and adventures we will have!

- Love Miss Monica and Miss Mary

★ SPECIAL EVENTS

We are excited to invite Mad Science to our classroom on February 15th and 16th. The children will enjoy engaging demos, perform simple experiments and discover how science helps us understand our world.
