WHAT'S UP AT NURSERY SCHOOL...

Is it already February!? It seems like the days are going so fast and slow all at the same time!

We missed everybody during our unfortunately extended Winter break and are happy and excited that we are back in the classroom!

With the freezing temperatures here we have been able to use the gym in the school which has brought some new games and excitement into our nursery school adventures! We also like to utilize brain break movement games on the projector in our room and we love moving to a really cool program called Calm Connect to get all those winter wiggles out. The children really enjoy it. This month we are excited to celebrate Valentine's Day!

★ **Valentine's Day**

We are excited to celebrate Valentine's with our friends in the classroom this year. However we will not be handing out Valentine's due to Covid restrictions. We will however celebrate the day in class through games, art and play!!

DON'T FORGET TO WEAR RED/HEARTS 😊 (or pink, purple, white...any colour that feels like Valentine's Day to you!)

★ Parent\Teacher Communication

We want to thank all of our parents for their understanding and patience in navigating another pandemic year in regards to parent/teacher communication. We will be having parent/teacher conferences via Zoom in March. We will be holding the parent teacher conferences on Thursday, March 17 and Friday, March 18. The nursery school will be closed those two days to hold the conferences. A Google survey will be sent out to all parents to accommodate preferred conference times for each family as best we can. Each family will have a 15 minute time slot for the conference. We look forward to touching base with each and every one of you!
