

What's Up At Nursery School...

Theme This Month:

Valentine's Day &
Friendship

This last month we had the opportunity to learn about our community and the people within it who help us and our families! We talked about doctors and police, firemen, nurses, teachers and vets - just to name a few. We discussed what these community helpers do and how they help us!

Some of the children even became dentists in our dramatic play "dentist office" where we learned about some of the tools dentists use. We used teamwork to decide who had what job in the dentist office such as secretary, dentist, dental hygienist and patient. What a great opportunity for us to negotiate and problem solve among many other things!

We also had our friend from the community, Miss Sonja, come in and sing and dance and play her guitar for us! It was a chance to get all of those ants out of are pants as we have all been cooped up inside with this COLD weather!

We took full advantage of our gym time playing games that incorporated a lot of movement such as "Green Light! Red Light" and "Freeze Dance". We also had a visitor from "FIT Kids" come and share some really fun gym games with us which really helped us keep our bodies moving when we couldn't get outside! Needless to say we were very busy and learned a lot!

Lastly, in preparation for our Valentine's Day activities, **please send an empty Kleenex box (labelled with your child's name) to school on February 3rd and 4th** so we can decorate them for our Valentine's Day cards. There are more details about the party below!

Feb 12	Cleaning Night	Feb 20/21	Miss Sonja

Fundraising This Month:

Greeting RESNS and Kindercare Parents!

As we enter into February we are excited to announce we have set up a Community Fundraiser Event with **Five Guys!**

Simply head to any Five Guys restaurant on **February 12** & let them know you are there to support RESNS. We will get 20% from all orders supporting us that day!

We will be sending out flyers (both electronic and paper) that you can show them as well.

Please Note: Unfortunately, Skip the Dishes orders do not count - but phone in orders do! This is valid for all Winnipeg locations, so please feel free to tell your friends and family!

JANUARY BIRTHDAYS - HAPPY BIRTHDAY TO YOU!

If your child wants to bring in a treat to share with their classmates on their special day we ask that it be NUT FREE as per our snack policy. Please send an email a day in advance so we can set aside some extra time for the celebration.

Valentine's Day Party!!!

Please wear your most "Valentine-y" attire! A snack sign-up sheet for each class will be posted on the class bulletin board very soon so keep an eye out!

Please feel free to let your child make some Valentine's Day cards for their friends but we do ask that instead of writing each child's name on the card to just write "To: My Friend". It makes it much easier and less time consuming for the children to hand out their cards.

Board Positions for 2020/2021

Interested in being involved with your child's nursery school and knowing all the little details that go on with day to day things? Well your chance to be part of a fabulous team of board of directors is now. We have three openings coming October 2020. We will be looking for a Fundraiser Rep, 5th member, and a KinderCare Rep. Without our volunteers sitting on the Board of Directors we would not be able to run our fabulous program. More information will come soon regarding each position!

* Star of the Week *

Every week beginning in October, one child will have the opportunity to be the Star of the Week. This student will help the teacher at Circle Time, be the line leader for the week and help with special tasks in the classroom. They will also get to tell the class about themselves. Feel free to decorate a poster board with information about your child: favourite colour, favourite song, age, birthday, etc. Ask them what they would like to put on their poster. Also, feel free to add family pictures! Your child should also bring a favourite book and one item from home for "Show 'n Tell" on the Thursday or Friday of their special week. Show 'n Tell time encourages speaking, sharing, asking questions as well as being a good listener. We especially love it if Show 'n Tell involves something your child loves to talk about, like their favourite stuffed animal. Please no guns or fighting toys. Please keep all other items or child toys at home.
