

## **Hello from Kindercare!!!**

It's hard to believe we have already finished another month, and what a great month it has been! We have embraced the snow and have been spending much time outside. Both Kindercare classes have enjoyed tobogganing down the hill in the school yard. Inside, November had been awesome! We had a visit from VIRN, Vision Impaired Resource Network, who taught the kids about brail, brought in a seeing eye dog, and shared some of the challenges that come along with being visually impaired. Both classes have continued to be very creative, always coming up with new art projects and the most amazing Magnatile structures.

A big thanks to all parents for remembering to send kids with all the warm gear that is needed now to keep them comfortable in this winter weather. Please ensure that your child has an extra set of clothes either in their backpacks or at school, in case the snow play is just too much fun.

A few friendly reminders, when entering the school please ensure all boots are taken off before entering the Kindercare room. Our floor gets very slippery when wet, please help ensure we all stay safe and clean and remove your shoes and boots. Also, a reminder that Kindercare starts at 9:25am when the bell rings. Please ensure you are staying with your child until that time and the Kindercare room is open.

The next few weeks will be spent doing many fun Christmas games, activities, crafts and even science experiments. We will be having a pyjama Christmas party on the 17th and the 20th! Kids are welcome to come to school that day in their pyjamas, and we will be spending the day doing many fun Christmas activities. The last day of class is December 20th - Kindercare is then closed for Christmas break and will resume on Monday January 6th, 2020.

November has flown by! Sending you all warm wishes for your Holiday season,  
Love Miss Monica, Miss Mary, and Miss Jenn

## Fundraising Update

Thank you to everyone who participated in our FundScrip fundraiser! We raised over \$1600 and our YTD total is now at \$2756.38.

Due to scheduling conflicts we have decided not to sell perogies before Christmas.

Thank you to everyone for your generosity in collecting funds for the Christmas Shoeboxes! We partnered with an area church and were able to raise enough to pack each of our 24 boxes, with money left over!

We have decided to participate in "Be a Santa to a Senior" and will be buying Christmas gifts for several local area seniors through this program. The children will be colouring Christmas Cards to send with these gifts, and also to go to members of the Canadian Armed Forces who may be celebrating Christmas far from their families this year.

## Cleaning Schedule

Please arrive at the school at 6:30pm with clean towels, rubber gloves and wash rags. Directions for cleaning will be in the classroom along with a sign-in form.
