

★ WHAT'S UP AT NURSERY SCHOOL...

February was a fun month despite the bitter cold weather. We had a chance to play games and use the scooters and balsa and climbing ropes in the gym. We also added balancing stones, balance beam and a tunnel into the classroom to accommodate all of that extra energy we've had from being stuck inside! We celebrated Valentine's Day with arts and crafts, games and delicious treats and snacks!

Looking forward to March we are hoping to see some warmer weather so we can play outside and go for nature walks and visit some close by play structures for exercise and fresh air! We will also be thinking about how we can catch that silly leprechaun as he may be visiting soon!!

We want to wish all of our families a fun and relaxing spring break!

★ **Parent/Teacher Conferences**

We will be holding in person parent teacher conferences on Thursday March 16th and Friday March 17th. The nursery school will be closed those two days to hold the conferences.

A Google survey has been sent out to each family so you can choose a time slot for the conference. We will do our best to accommodate your 1st choice. We are excited to touch base with all of our families!

NURSERY NEWS CONT'D

★ **Registration School Year 2023-2024**

Registration is well underway for next year, and there are only a few spots left in our Tuesday/Thursday morning and afternoon classes and a few spots in our Monday/Wednesday/Friday class. If you know someone who is planning to register their child for nursery school, please let them know we have spots available.
